Ova ploča sa simbolima koristi se za komunikaciju. Pomoću ploče možete najaviti pregled koji slijedi, objasniti što će se događati, pomoći djetetu da kaže što treba dok čeka, razgovarati o tome kako se dijete osjeća ili dogovoriti što ćete raditi nakon pregleda. Ako pokazujete na simbole dok govorite, djetetu će biti lakše razumjeti vas. Ako dijete pokaže na neki simbol, recite naglas što je pokazalo i reagirajte na to.
